

Supplementary Information

< Reclassification of Industry Segments >

The Company has changed the industry segment classification from product based approach to management based approach, from the year ending March 31, 2002.

<Previous Segments>	<New Segments>
Information Systems & Electronics	Information & Telecommunication Systems
Information, Telecommunication & Other	Electronic Devices
Electronic Devices	Power & Industrial Systems
Power & Industrial Systems	Digital Media & Consumer Products
Consumer Products	High Functional Materials & Components
Materials	Logistics, Services & Others
Services & Other	Financial Services

Notes:

1. Certain digital media products, which were formerly included in "Information, Telecommunication & Other", were transferred to "Digital Media & Consumer Products."
2. Instruments and semiconductor manufacturing equipment, which were formerly included in "Information, Telecommunication & Other" of "Information Systems & Electronics", were transferred to "Electronic Devices."
3. Nissei Sangyo, which was formerly included in "Services & Other", was transferred to "Electronic Devices."

<Outline of New Segments>

Information & Telecommunication Systems	[Parent Company] Solution Systems, Information & Telecommunication Platform Systems, Information & Network Services [Major Subsidiaries] Hitachi Information Systems, Hitachi Software Engineering
Electronic Devices	[Parent Company] Displays, Semiconductor & Integrated Circuits, Instruments, Semiconductor Manufacturing Equipment [Major Subsidiaries] Hitachi Electronics Engineering, Hitachi Medical, Nissei Sangyo
Power & Industrial Systems	[Parent Company] Power & Industrial Systems, Industrial Components & Equipment, Building Systems, Automotive Products [Major Subsidiaries] Hitachi Air Conditioning Systems, Hitachi Construction Machinery, Hitachi Kiden Kogyo, Hitachi Plant Engineering & Construction, Japan Servo, Hitachi Building Systems
Digital Media & Consumer Products	[Parent Company] Digital Media, Consumer Products [Major Subsidiaries] Hitachi Maxell, Hitachi Media Electronics
High Functional Materials & Components	[Major Subsidiaries] Hitachi Cable, Hitachi Chemical, Hitachi Metals
Logistics, Services & Others	[Major Subsidiaries] Chuo Shoji, Hitachi Life, Hitachi Mobile, Hitachi Transport System, Nikkyo Create, Hitachi America, Hitachi Asia, Hitachi Europe
Financial Services	[Major Subsidiaries] Hitachi Capital, Hitachi Insurance Services
