NEW ASSIGNMENT TO ANSALDO STS FROM SATURNO CONSORTIUM FOR THE HS / HC MILANO - VERONA LINE, BRESCIA EST - VERONA SECTION

On December 6, 2018 "Saturno Consortium for the construction of railway works with high technological content for the Italian high-speed railway system" - following the contract signed with the CEPAV Due Consortium, General Contractor responsible for the design and construction of the HS/HC (High Speed and High Capacity) Brescia Est - Verona railway line, has awarded to Ansaldo STS SpA, as consortium member, part of the technological works for the abovementioned high speed line.

The Ansaldo STS scope of work is worth approximately Euro 98 million, out of a total of approximately Euro 272 million for the Saturno Consortium.

Ansaldo STS is responsible for the design, construction, installation and commissioning of signalling systems (ERTMS/ETCS level 2 and IXL Multistation) and automation (TMS-HS), on a 48 km long line, interconnections included. Ansaldo STS is also directly responsible for the design, construction, installation and commissioning of electrical substations, parallel stations and Traction Power SCADA system. Finally, it will take care of fire detection systems, air conditioning, ventilation and heating systems for the new technological buildings, as well as the tunnel security management system.

Ansaldo STS will contribute with this assignment to the construction of another section of the Mediterranean Core Corridor, recognized as a priority by the European Community.

Ansaldo STS, listed on the Italian Stock Exchange, is an international technology company specializing in the design, implementation and management of transport systems and signalling equipment for railways and underground railways, both for freight and passengers. The Group acts as a Main Contractor and supplier of "turnkey" systems worldwide. Ansaldo STS is headquartered in Genoa and employs about 4,228 people in 30 countries. In 2017, it reported revenues of EUR 1,361.0 million with an operating income (EBIT) of EUR 100.8 million and a consolidated net profit of EUR 64.9 million.
