Hitachi Integrated Report 2022 Editorial Policy

**Editorial Policy**
The Hitachi Integrated Report is compiled for the purposes of facilitating a deeper understanding among stakeholders of Hitachi’s business model, as well as a dialogue through which we can further enhance corporate value and realize a virtuous cycle of value co-creation. In the 2022 edition, we clarify materiality within Hitachi’s sustainable management and systematically explain strategies and measures. In addition to highlighting Hitachi’s history of value co-creation and the Mid-term Management Plan 2024, this report will enhance the reader’s understanding of Hitachi’s sustainable growth potential.

In editing this report, we referred to the IFRS Foundation’s International Integrated Reporting Framework and the Japanese Ministry of Economy, Trade, and Industry’s Guidance for Collaborative Value Creation.
