

**Notice Concerning Capital Injection Changes
For the NEC Electronics and Renesas Business Integration**

KAWASAKI, Japan, TOKYO, Japan, November 9, 2009 -- NEC Electronics Corporation (NEC Electronics; TSE: 6723), Renesas Technology Corp. (Renesas), NEC Corporation (NEC; TSE: 6701), Hitachi, Ltd. (Hitachi; TSE: 6501 / NYSE: HIT), and Mitsubishi Electric Corporation (Mitsubishi Electric; TSE: 6503) today announced changes concerning the capital injection listed in its September 16, 2009 press release entitled “NEC Electronics and Renesas Reach a Definitive Agreement on Business Integration”.

1. Reason for the Changes

In accordance with the plan to integrate business operations at NEC Electronics and Renesas (the “Business Integration”), the five companies announced on September 16 that Renesas will issue shares of Renesas common stock to Hitachi and Mitsubishi Electric, the sole shareholders of Renesas before the effective date of the Business Integration (the “Pre-merger Capital Injection”). In addition, after the scheduled date of the Business Integration, April 1, 2010, the new integrated company after the Business Integration (the “Integrated Company”) will issue shares of its common stock to NEC, Hitachi and Mitsubishi Electric (the “Post-merger Capital Injection”).

The five companies also announced that the amount of the Pre-merger Capital Injection could be reduced and the amount of the Post-merger Capital Injection could be increased depending on the business result of NEC Electronics for the first half of the fiscal year ending March 31, 2010.

Today’s changes were made in due to NEC Electronics’ financial results, which were settled today, November 9, 2009. The changes in Post-merger Capital Injection were resolved at NEC Electronics’ meeting of the Board of Directors held earlier today.

2. Outline of the Changes

The changes are underlined.
