

Hitachi Building Systems to donate to support the earthquake relief efforts in the central Myanmar

Tokyo, April 9, 2025 – Hitachi Building Systems Co., Ltd. (hereafter **Hitachi Building Systems**) today announced that it will donate 3 million yen to the Japanese Red Cross to support relief efforts for people affected by the earthquake that struck central Myanmar on March 28 and for the reconstruction of the affected areas.

Hitachi Group extends its heartfelt sympathies to all those affected by the disaster and sincerely wishes for the earliest possible recovery of the afflicted areas.

The Hitachi Group is making every effort to restore building facilities, including elevators, that were damaged by the earthquake.
