HITACHI REVIEW

<http://www.hitachi.com/rev/>

HITACHI REVIEW is published by Hitachi, Ltd. and is devoted to introducing various fields of Hitachi technology. Since the April 1998 issue (Vol. 47, No. 2), the full-page edition of HITACHI REVIEW has been available only on this Web page in place of the conventional publication. HITACHI REVIEW, which was first published in 1951, is released in PDF format on the Web site for easy access by overseas readers. The highly functional Web site classifies the featured themes by year and field, which makes it easy for readers to find the featured articles that they want to read. The featured topic of each edition is introduced by an expert who is the leader of a relevant department.
